The City of Beaverton is continually looking for ways to improve the lives of our residents, including help with your taxes. The federal Earned Income Tax Credit (EITC), for example, can provide a low income, working family up to a \$5,600 tax refund. Unfortunately, about 25% of those who are eligible for the EITC fail to file for it, resulting in the loss of millions of dollars for Oregonians. Here are two resources that can help you file your taxes to make sure you aren't leaving your money behind.
